This agreement sets forth the understanding of the parties with respect to securities to be issued, as applicable, in (i) bearer New Global Note form (NGN securities) or (ii) registered form under the New Safekeeping Structure (NSS securities) under the above-captioned programme (the **Securities**) that the Issuer may request be made eligible for settlement with Euroclear Bank SA/NA and Clearstream Banking S.A. 1. The ICSDs hereby agree that:

respective portion of the IOA as maintained by the NSS securities' register; will undertake daily reconciliations of such amounts with each other; and will ensure on a daily basis that the aggregate total of their respective records matches the IOA;

- (b) each of them will promptly update their records to reflect the discharge of the Issuer's obligations with respect to the Securities upon the receipt of (i) a redemption payment as required pursuant to the terms of the Securities; and (ii) a confirmation from the Issuer or its agent of a mark-up (that is, increase) or mark-down (that is, decrease) of the IOA of the Securities; in doing so, each ICSD will consult with the other to ensure that the aggregate of the amounts so updated by them is equal to the total mark-up or mark-down notified to them;
- (c) each of them will, or will require any agent appointed by it to, provide the necessary information to the Issuer's agents to enable the Issuer's agents to comply with 2(c) below; and
- (d) each of them confirms that, upon the Issuer's request, it will produce for the Issuer's use a statement showing the sum of the total nominal amount of its customer holdings for the Securities as of a specified date.

2. The Issuer must procure that, in relation to any Securities:

- (a) it or its agents will inform the ICSDs (through the common service provider appointed by the ICSDs to service the Securities (the **CSP**)) of the initial IOA for such Securities on or prior to the applicable closing date;
- (b) if any event occurs that requires a mark-up or mark-down of the records that an ICSD holds for its customers to reflect such customers' interest in such Securities, one of its agents will promptly provide details of the amount of such mark-up or mark-down, together with a description of the event that requires it, to the ICSDs (through the CSP) to ensure that the IOA of such NGN Securities in the records of the ICSDs, or the records of the ICSDs reflecting the IOA of such NSS Securities, remain(s) at all times accurate;
- (c) it or its agents will at least monthly perform a reconciliation process with the ICSDs (through the CSP) with respect to the IOA for such securities and will promptly inform the ICSDs (through the CSP) of any discrepancies;
- (d) it or its agents will promptly assist the ICSDs (through the CSP) in resolving any discrepancy identified in the IOA of such NGN Securities or in the records reflecting the IOA of such NSS Securities;
- (e) it or its agents will promptly provide to the ICSDs (through the CSP) details of all amounts paid under the Securities (or, where the Securities provide for delivery of assets other than cash, of the assets so delivered);
- (f) it or its agents will promptly provide to the ICSDs (through the CSP) any changes to the Securities that will affect the amount of, or date for, any payment due under such Securities;

- (i) its agents will promptly notify the ICSDs (through the CSP) of any failure by the Issuer to make any payment or delivery due under the Securities when due; and
- (j) in the case of the delivery to the ICSDs of any documentation signed electronically or received by the ICSDs in electronic form only (including the global note or certificate representing the Securities¹), it and its agents will retain any supporting or other documentation or evidence in relation to the signing of such documentation (including any authentication details used to verify the identity of the person signing and any other electronic record or confirmation of the signing process),² and will promptly provide such documentation or evidence to the ICSDs upon request.

The Issuer's obligations under this Agreement will be discharged if it includes provisions substantially to the effect set out in the paragraph above in any agreement it has with its agents. The Issuer agrees that the ICSDs may rely on communication from its agents as if such communication was received directly from the Issuer.

- 3. In the case of any document signed or received by the ICSDs in electronic form only³, the ICSDs may assume the capacity and authority of the Issuer and any other relevant party to sign such documentation electronically, and the validity of such documentation and the manner in which it has been signed in the form delivered to the ICSDs and such delivery to the ICSDs shall be deemed to be confirmation by the Issuer of the same.
- 4. This Agreement is not intended to create and does not create any relationship of agency between the parties to it.

¹ Note that the electronic issuance of global notes, i.e. issuance of a global note in electronic form only with its further safekeeping in an electronic vault, is currently accepted by the ICSDs only if such notes are issued under the New Safekeeping Structure (NSS). Please refer to the ICSDs' website for further information.

² This may, for example, consist of a tamper-evident PDF containing such electronic record or the relevant email and other correspondence in relation to the signing process or could be by way of confirmation from its agents of the receipt and scanning into PDF format of the physical original signed global note or certificate.
